

# Globe BMX 2026 Practice & Race Emergency Action (Response) Plan

The Emergency Response Plan includes:

1. EAP Coordinator
  - a. During each race or practice, the EAP coordinator will be a board member on site at each practice or race. It is this person's responsibility to oversee all medical personnel and direction in the event of an emergency.
2. Provisions for an adequate communication network:
  - a. EAP Coordinator names and cell phone #'s:
    - i. Elise Carr 306-280-8802
    - ii. Laurie Kubik 306-270-2246
    - iii. Theresa Wilks 306-370-8335
    - iv. Nate Edwards 306-717-8131
    - v. Lori Smith 306-290-3043
    - vi. Lyle Oberg 306-850-5620
  - b. Cellphone # of all medical personnel
    - i. First Aid volunteer determined each race and practice. Posted on the main signage board at the bottom of start hill.
    - ii. 911 Dialer determined each race and practice. Posted on the main signage board at the bottom of start hill.
  - c. Cellphone #'s of all Commissaires and marshals at minimum
    - i. Commissaire volunteers determined each race night.
    - ii. Phone numbers are logged in volunteer signup database
  - d. Radios may also be provided if frequency coverage is in range.
    - i. All commissaires and key positions are provided radios for each race night. Radios are not utilized for practice sessions.
3. Directions to, and phone number of the nearest hospital(s) & Medi Clinic
  - a. Directions to the closest Hospital (Royal University Hospital)
    - i. Exit the Lakewood parking lot from the North West exit (near the recycling depot), onto McKercher Dr. going North
    - ii. Exit left onto College Dr, going west

- iii. Turn right on Hospital Drive, look for Emergency on right hand side

Hospital Address:

103 Hospital Dr, Saskatoon, SK S7N 0W8

Phone: (306) 655-1000

b. EXTENDED BUSINESS HOURS

Direction to the nearest walk-in Medical Clinic with extended hours (Lakeside Medical Clinic)

- i. Exit the Lakewood parking lot from the North West exit (near the recycling depot), onto McKercher Dr. going North
- ii. Continue until McKercher Dr. ends then take a left on 105th St. E.
- iii. Take your next left onto Joseph Okemasis Dr and the clinic will be on your left
- iv. Open until 10pm

Clinic Address:

215 Joseph Okemasis Dr, Saskatoon, SK S7N 3A8

Phone: (306) 374-6884

Hours: 9am - 10pm daily

c. REGULAR BUSINESS HOURS

Directions to the nearest walk-in Medical Clinic (Alliance Health Medical Walk-in Clinic)

- i. Exit the Lakewood parking lot from the North West exit (near the recycling depot), onto McKercher Dr. going North
- ii. Turn left into College Park Mall
- iii. Arrive at Alliance Health Medical Walk-In Clinic

Clinic Address:

3919 8 St E, Saskatoon, SK S7H 5M7

Phone: (306) 343-1661

Hours: 9am-5pm, closed Saturday & Sundays

**Plan Summary & Key Points:**

- Our standard plan is to have a designated First Aid attendant, as well as a 911 dialer for each race and practice. As we are only 5 minutes away from an Ambulance arrival, we are not required to have a first responder or ambulance on site unless it is a SK cup event.

- If 911, or an Ambulance is called, the EAP coordinator will appoint 1 person to meet the ambulance at the park entrance and direct them safely to the safest point of entry to the rider. This is either the west side of the track with walking path access or the east side of the track.
- Walking path pedestrians and/or spectators will need to be notified to clear a path by Ambulance greeter.
- If an ambulance or 911 is not needed, the rider should be safely escorted off the track, seated comfortably and assessed. Getting riders off the track safely if possible, in the quickest manner to help keep the race moving.
- Any injured rider that requires medical attention by First Aid or in a medical facility, will have a follow up report filled out by a Board member, to be submitted to SCA for both record keeping and insurance purposes in the event that an injury claim is required by the injured party.
